RESPONSE TO PAPER DATED FEBRUARY 9, 2004

In response to the paper dated February 9, 2004, Applicant's Attorney submits the Argument contained in the Response which was held to be non-responsive and which provided the undersigned attorney with thirty days to Respond.

Applicant's attorney submits the previous arguments and has removed the proposed amendment for claim 30 only set forth in the Remarks for purposes of interview and discussion with the Examiner. Accordingly, for this purpose, the last five lines of page 4 was omitted and all of previous page 5 with the exception of the last two lines were omitted. In all other respects the argument remains the same.

Applicant's attorney has used this procedure because access to the original submission could not be obtained, and Applicant's attorney only wanted to remove the portion for interview purposes.

Accordingly, a copy of the check for the extension is also submitted and the present paper, as well as the previous paper has been signed again with the omitted portion.

Applicant's attorney kindly thanks the Examiner for her assistance in this matter.

Respectfully submitted,
